Dear Richard,

Thank you so much for leading our 4th biannual Goods and Services Auction for St. Elizabeth Ann Seton Regional School. Your enthusiasm brought much to our auction, and it helped bring in more money than we expected. Each time we hold this event, we strive to bring in at least the amount we made at the last event. With your truly gifted talent, you were able to help us surpass our goal! You worked the crowd with your superb ability and led the night in fun and laughter! As with most auctions, people may bid on items, but many go home empty-handed. You, however, gave the people at our action an ingenious option. If someone did not have the opportunity to win any bids, at the end of the night you gave them the opportunity to give a \$50 donation to our school. In this way, we were able to add \$500 more to our profit! In addition, people felt as if they were able to support our school, even in a small way. It was a wonderful way for people who either could not afford some items or who just didn't want particular items to be able to give something to the school. Thank you for taking the time to share your talent with us and helping us make our biggest fundraiser of the year a success!

Respectfully,

Anna Stark
